17th August 2020

It's great to see the wonderful learning being shared on SeeSaw already. Our teachers are enjoying seeing all the creative activities and work that you are doing at home. Keep up the good work!

We are all eagerly awaiting the Prime Minister's announcement on Friday as to how long Auckland will be in Level 3. Our learning at home programmes will continue to be sent home until we hear that we have moved to level 2 when all students and staff can return to school.

Wouldn't you believe it - once again we planned a mid-term break and Covid has re-emerged. Term 3 traditionally is the term where we get the most sickness and students and staff benefit from a long weekend. As advised in our newsletters and our school website, Monday 24th August is our mid-term break. Our teachers will be sending work home as usual, but will not be responding on Monday.

If your child is currently attending under Level 3 and the holiday on Monday is going to create a difficultly for you, please phone (8109607) our office by Thursday 20th August to discuss options available.

Thank you all for your positive messages and support. Stay safe.
